## THE BUSIEST STORE ON WEST STATE STREET IS THE U. S. Army Goods Store 97 STATE STREET

Every man may tanely ask himself WHY the ARMY STORE is the busiest store in the city. Within a few months  
 this store, from practically a small shop, has grown to enjoy the largest volume of trade than any store of like size  
 in the entire city of Hammond. THE REASON IS PLAIN. From the first day that we set our foot in Hammond  
 we resolved to give the public more than what the average merchant considers "your money's worth." We have  
 gone a step further by operating on a small scale of expenses and by selling volume we are enabled to sell you  
 merchandise at about the price that the average retailer buys his goods at wholesale. It is our huge turnovers, strictly  
 cash buying, direct from the Government, that enables us to do what others find it impossible to even imitate.
